

Appl. No. 09/966,386
Amdt. Dated 04/01/2005

REMARKS/ARGUMENTS

This preliminary amendment is in response to a telephone conference from the Examiner requesting correction of minor informalities to the claims and conversion of the pseudo-code set forth in FIGs. 4A-4I into the specification. Applicant has amended the specification to cancel Figs. 4A-4I, eliminate reference to FIGs. 4A-4I set forth in the Description of Drawings, added paragraph [0108] identifying the pseudo-code; and transferred the pseudo-code text into the detailed description section of the subject application. No substantive new matter has been added.

Conclusion

Applicant respectfully requests that a timely Notice of Allowance be issued in this case.

Respectfully submitted,
